Approved For Release 2000/08/26 : CIA-RDP71R00140A000100080041-3

11 Oct 66

25X1A

Attached is the [REDACTED] organization notice which I mentioned to you this morning. Is there anything new about this organization and does it affect OSI in any way? Much of the organization appears the same to me, and I would appreciate knowing just what changes have taken place as implied in this notice.
